What do you mean by "declaration?"

Also, I cannot meet you in person. I am in Arkansas. I cannot travel to California just for this.

Hello Mr. Stebbins

I have checked the process for serving International defendants as well as the Hagues law.

The US Marshalls will not be serving this so you do not need to prepare a USM-94.

You will need to prepare all the documents and mail this off yourself, these documents will also need to include a declaration. Once you complete your documents please email them to me so I can review them. Then you will schedule an appointment to bring them in to me where I will go over them one more time and sign them, then I will walk with you to the Post office where I will witness you mailing them.

I have attached an example of what you will need to prepare.

Thank you, Angela
